

4 DAYS & 3 NIGHTS @ LE COCO BEACH

A FUN ATMOSPHERE, THE LIVELIEST RESORT IN MAURITIUS

Le Coco Beach is one of the biggest hotels on the east coast of Mauritius, a bright, vibrant resort set in 60 acres of lush gardens, planted with thousands of palm trees, casuarinas and other endemic tropical plants. It is bordered by small isolated coves and hundreds of yards of white, sandy beaches.

Popular with both families and couples, and a tremendous setting for incentive groups, the Coco Beach atmosphere is carefree and relaxed, with a whole range of activities for entertaining, high-energy holidays.

It provides traditional local hospitality totally different from any other hotel experience in Mauritius, a blend of daring, creativity, action and fun - and offering tremendous value for money. The resort is set on a beautiful stretch of white-sand coastline overlooking the tranquil Trou d'Eau Douce bay. On the mainland are the suites and rooms, pools, restaurants and bars, Givenchy Spa, tennis and the kids club. Across the water are the resort's two islands - Ile aux Cerfs, with its spectacular championship golf course designed by Bernard Langer, and Ilot Mangénie, an island retreat exclusive to guests, both a short ride by private boat.
